au début, Marc monte la garde d'un entrepôt qui contient des Pokémon en cage "parfois je me fais peur"

sans toi j'en ai plus tout à fait

moi.

à deux par dix j'ai égale

ce que j'étais

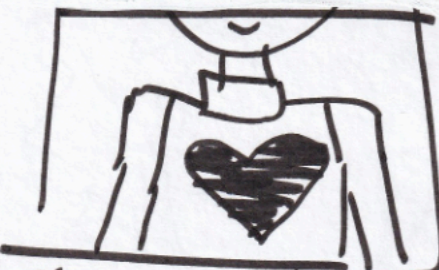

Mon nom ne me dit rien

ni mon nom sur les papiers

(Sur le refrain, montage de Stan qui s'infiltré dans l'entrepôt)

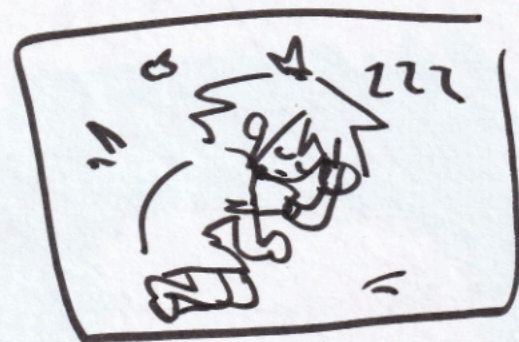

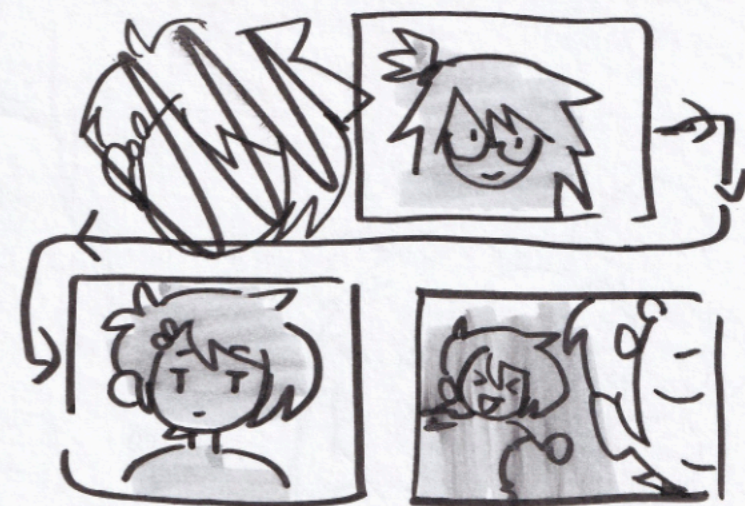

sans toi qui m'ingère qui m'appelle

j'ai essayé de revenir

les rafraîchir

ce que par j'ai fait je n'en sais

sur

(deuxième refrain, Stan continue son infiltration. il se fait remarquer et Marc le tranquie dans les couloirs. Stan se fait asommer par Mentali)

(troisième refrain, Stan est capturé à genoux. il lève les yeux et voit Marc. ils se reconnaissent.)
